Sub: Project 'Bhawan' – Updation of PAO Code.

It has come to the notice of HQrs office that PAO Code in the Project 'Bhawan' database of various AAOs(BSO) are not uniform. Non-uniformity of the PAO code will lead to incorrect mapping of records for rent & allied charges files uploaded by AAOs(BSO) on the centralized portal being developed by HQrs office.

To sort out the matter, a utility to update PAO Code has been developed by the developer of Project 'Bhawan'. The same is being forwarded herewith alongwith instructions to run the same as annexure 'A'.

Therefore, it is requested to forward the same to all the AAOs(BSO)/AOs(GE) under your jurisdiction with the directions to update the PAO code as per instructions. Action taken report may be forwarded to HQrs office by 10th June, 2017.

In case of any query/issue, developer of Project 'Bhawan' may please be approached.

This issues with the approval of Jt. CGDA(IT).
